About Me

Dedicated and detail-oriented Quality Control professional with experience in ensuring product quality and compliance in the fashion industry. Seeking to leverage my expertise in quality assurance, process improvement, and attention to detail to contribute to the success of the Company. Committed to maintaining the highest standards of quality in line with company objectives and industry regulations.

Professional Experience

QUALITY CONTROL (QC)

CELEBRITY FASHION LIMITED - Chennai

2023 – Present

Key responsibilities:

- Inspect raw textiles, including fibers, yarns, and fabrics, for quality parameters such as strength, color consistency, and uniformity before they enter the production process.
- Monitor the production process at different stages, ensuring that weaving, knitting, dyeing, printing, and finishing processes adhere to quality standards.
- Identify defects such as weaving faults, color variations, and surface imperfections during production, and take corrective actions to minimize defects.
- Perform thorough inspections of finished textile products to ensure they meet required specifications, including dimensions, color, texture, and overall quality.
- Maintain detailed records of inspection results, defects identified, and corrective measures taken. Generate quality reports for management review.

QUALITY CHECKER (QC)

SANFAB INDIAN PVT LTD - Chennai

Feb 2023 – Jun 2023

Key responsibilities:

- Ensure that all products comply with national and international textile standards, as well as environmental and safety regulations

Language

- English
 - Malayalam
 - Tamil
 - Hindi
- Work closely with production teams to identify opportunities for process improvements that can enhance product quality, reduce waste, and increase efficiency.
 - Analyze customer complaints related to product quality, identify root causes, and implement corrective actions to prevent recurrence.

Declaration

I declare that the information presented in this resume is true and accurate to the best of my Knowledge.
