## **Key Skills**

- Intermediate knowledge of CAD software (Optitex, Lectra) & EMBROIDERY (Wilcom)
- Marker Planning & Fabric Optimization (efficient fabric utilization, wastage control)
- Costing ,Sample Cutting & Sample Follow-up
- Printing & Fabric Knowledge (woven, & denim,)
- Cutting Techniques ,Machine & Fabric Handling
- Quality Control in Cutting (checking shrinkage, color, defects before cutting)
- Teamwork & Coordination with Production Unit
- Intermediate computer knowledge (MS Excel, Reports, Email).

## **Professional Experience**

CAD Operator, Cutting Supporter, Planner & Embroidery Designer  
PENGUIN APPARELS (P) LTD.,-Madurai, Tamil Nadu (July 2022 –Present | 3 Years)

I have gained basic knowledge in pattern making, while possessing advanced skills in marker planning and fabric optimization. I operated CAD software to adjust given patterns according to marker requirements and was actively involved in fabric cutting operations, ensuring proper lay planning, spreading methods, and quality checks such as shrinkage, shade variation, and defect verification before bulk cutting.

I collaborated closely with the production, sampling, and merchandising teams to meet buyer requirements and ensure smooth workflow. In addition, I maintained cutting reports, fabric consumption records, and marker efficiency data to support production tracking. By consistently assisting the cutting department, I contributed to

achieving daily production targets and deadlines. I am a skilled Embroidery Designer with expertise in creating and digitizing embroidery patterns using Wilcom software. **Table Handle** - VillerValla, VineyardVines, Tentree, Hugo Boss, Hanna Andersson, Indian Terrain, DKNY Sports, True Religion, JOMO.
