- Maintain the MIS for sales/production on daily/weekly/monthly basis.

CHAROEN POKPHAND INDIA PVT LTD

(C P Aqua Culture India Pvt Ltd)

Junior Engineer

May 2015 – February 2018

- Developed and implemented production plans, schedules, and targets to meet customer orders.
- Monitored production processes and implemented quality control measures to reduce defects and waste.
- Achieved company quality standards, ensuring customer satisfaction.
- Monitored key performance indicators (KPIs) and achieved set targets.
- Delegated tasks effectively and analyzed reports to improve efficiency.
- Troubleshoot production issues, root cause analysis, and proposed solutions.
- Prevented material loss through lean manufacturing practices.
- Prepared daily reports on production, dispatch, inventory, efficiency, and forecasts.
- Conducted shift briefs focusing on quality, cost, and delivery improvements.
- Managed engineering changes, production trials, model changes, and pilot builds.
- Created a positive work environment promoting motivation and respect.
- Shared process knowledge to prevent repeat breakdowns and generate solutions.
- Led and supervised production teams, ensuring adherence to quality and safety standards.
- Optimized resource utilization, ensuring raw material availability and inventory management.

Ramco Industry Ltd

Engineer Trainee

April 2013 – April 2015

- Production Planning and Execution: Assist in planning and executing daily production activities to meet the production targets.
- Process Monitoring: Monitor and analyse the manufacturing process to ensure efficiency, quality, and compliance with safety standards.
- Equipment Maintenance Support: Assist in regular maintenance and troubleshooting of machinery and equipment to minimize downtime.
- Quality Assurance: Support quality control activities, including inspecting raw materials, in-process products, and final outputs to ensure they meet company standards.
- Documentation: Maintain production logs, reports, and documentation for process improvements and audits.

Education

COURSE / CLASS	NAME OF THE INSTITUTION	UNIVERSITY/BOARD	PERIOD	AGGREGATE
B.E(EEE)	Jaya Engineering College	Anna University	2008 - 2012	63.50
HSC	PACM Higher Sec School	State Board	2006 - 2008	73.16
SSC	PACM Higher Sec School	State Board	2006	81.00

Skills & Abilities

- MS-Office
 - Scada
 - Quality & Waste Management
 - ISO Standards Creations
 - Equipment Maintenance & Process Documentation
 - AutoCAD
 - Plc
 - Inventory Management & Control
-
